SUBSTANCE OF INTERVIEW

David Feigenbaum, a representative of the applicant, called the examiner on April 27, 2006, and left a telephone message. The applicant authorized the examiner to cancel claims 9 through 23 and indicated that it would submit two additional references (Honda and Polk). To the best of his recollection, in a telephone call on May 1, 2006, Mr. Feigenbaum and the examiner discussed the Geddes reference and agreed that the pending claims were patentable with respect to the Geddes reference.

Respectfully submitted,

Date: 8/8/6
